Sponsorship at Holsworthy & Stratton Show 2022

Sponsorship is a way to become involved in Holsworthy & Stratton Show 2022, providing an excellent platform to promote your business to a targeted audience. We have approximately 8000 people attend the show, on show day, a mix of farmers, the public from our Holsworthy & Bude catchment area, exhibitors, and judges from further afield as well as attracting tourists who are visiting the local area during the summer holiday season.

At Holsworthy & Stratton Show we are immensely proud of our surrounding farming community, & as we welcome back farmers & their families, supporting trades & the general public, we will showcase the best of agriculture and provide an excellent day out. Sponsorship starts at £75, so why not get involved?
